Individuals are valued

- Individual programs and specialist support staff enable students of all abilities to gain success in academic, cultural and sporting activities. The wide range of opportunities available in these areas caters for the diverse needs of our students in today's society.
- Redhead Public School reflects the diversity within our community in catering for students with physical and intellectual disabilities, learning difficulties and those gifted and talented students who require extension experiences.
- Our close association with local pre-schools, Whitebridge Cluster Schools and Whitebridge High School allows for smoother transition programs to be implemented, and therefore, greater opportunity to provide for the individual needs of our students.

A friendly, caring and safe school

- A clear concise code of conduct encourages children to make “treasure” choices
- The grounds are spacious, attractive and welcoming
- The grounds are fully fenced with levelled playing fields and a multi-purpose court
- Out of school hours care available (OOSH) safe, short walking distance to the school

Special Programs and opportunities
